

Espressotini

Ingredients:

IP Chocolate Drink Mix Powder

IP Pre-made Cappuccino Drink or prepared drink mix

Chocolate extract (optional)

Directions:

Simply dampen the rim of a martini glass with water and dip in IP chocolate drink mix powder. Pour a chilled IP cappuccino pre-made drink (or prepared cappuccino drink mix) over ice cubes into martini glass. This should make two martinis depending on the size of the glass. Optional: Add a couple drops of chocolate extract.
